## Experience

### Office Director

*ASUCD Office of International Student Representative* | Sep 2025 – Present

- Governed a 16-member team to establish the International Student Senate, accomplishing a formal advocacy platform that addressed cross-cultural concerns with university leadership.
- Mediated bi-weekly student forums to identify critical pain points, securing a 30% increase in student government funding through data-driven proposals.
- Orchestrated a 5-person creative group to author an official orientation handbook and modernize the office website, expanding outreach to 20+ student organizations and attaining 400+ new followers within 2 months.

### UX & Web Design

*UC Health* | Oct 2025 – Present

- Researched academic papers on pediatric psychology and website logic to formulate a user-centric design outline, visualized complex treatment cycles using Adobe Illustrator and Photoshop,
- Modified CSS and site navigation to align with WCAG accessibility standards, collaborating with a 7-member team to maintain visual consistency and simplify management steps for young patients.

### UX Research & Social Media Creator

*Capitol Creative Alliance* | Oct 2025 – Present

- Evaluated attendee satisfaction by surveying guests post-conference and translating feedback into visualized data charts to identify key user pain points.
- Formulated impromptu interview questions based on speaker background research, generating 1,000+ views per post through strategic real-time social media coverage.

### Founder & Web Design Leader

*Nanjing Student Photography Alliance* | May 2022 – Present

- Founded a city-wide creative network of 400+ members, accomplishing 10,000+ visits to a custom platform constructed using Figma, Python, and Webflow.
- Refined the competition submission process by analyzing participant surveys, measured by a 85% increase in entries in the following year.
- Negotiated strategic sponsorships with SONY and DJI to organize technical seminars and city-wide competitions.

### Producer & Director

*Nanjing Foreign Language School* | Apr 2024 – Jun 2024

- Designed comprehensive spatial layouts for a 700m<sup>2</sup> indoor stage and 1,300m<sup>2</sup> outdoor exhibition area, coordinating real-time execution with construction and hosting teams.
- Calculated a detailed budgeting model and secured \$10,000 in corporate sponsorships, accomplishing a 44% reduction in ticket prices while expanding attendance by 40%.

## Summary
